

gMotio

Updated: March 2024

gMotio

The gMotio gynaecology couch was designed following 2 years of study with health professionals in Europe and the Middle East. It has been tested by around 20 doctors and 100 patients. gMotio has been designed to provide effective and comfortable treatment, both for the practitioner and

for their patients. With its extensive experience, Promotal has created a synergy between two featured products: the Elite gynaecology couch and the eMotio examination couch. gMotio is already considered a must-have gynaecology couch.

Class I medical device

WELCOME POSITION

GENERAL EXAMINATION

TRENDELENBURG

EQUALITY OF TREATMENT

MAKE LIFE EASIER FOR YOUR PATIENTS WITH REDUCED MOBILITY WITH:

- › Starts at 57cm from the ground
- › Electrical support accompaniment of all patient movements
- › Electrical moving footrests (depending on model)

EFFICIENCY

IMPROVE THE FLOW OF YOUR EXAMINATION WITH:

- › An integrated leg rest extension for a trendelenburg position (opt)
- › 3 programmable positions (9 as accessories)
- › Autonomous movements: Press once to change positions
- › Intuitive control and its already configured patient start position
- › Integrated lighting in the table (depending on model)
- › Standard seat rails

ERGONOMICS

ALWAYS PROVIDING THE BEST POSITION FOR YOU AND YOUR PATIENT:

- › Precise work on the seat design and foam density
- › Variable height from 57 to 118,5cm (with tilt)
- › Precise and adjustable tilt, easy speculum placement
- › Controls at the right place on the backrest and on the feet
- › Built in retractable wheels for short trips

SAFETY

EASY CLEANING OF YOUR COUCH:

- › Seamless upholstery
- › Removable seat and backrest for easy cleaning
- › Cataphoresis treatment of the structure for longevity and hygiene of the product
- › Removable ABS tray
- › Electrically activated wheels by sustained contact

SAFEGUARD YOUR EXAMINATIONS:

- › Safety sensors
- › Safety battery
- › Dual control
