

TWEEGY[®]

Updated: February 2022

 **PROMOTAL[®]**

The Tweegy is the simplest transfer chair ever designed.

Small, stackable and very easy to use, Tweegy is the solution that will allow you to facilitate patient transport and improve the organisation flow. After visiting more than 50 health care facilities, Promotal has focused on designing a transfer chair that is adapted and adaptable to the needs of both staff and patients. Easy to configure and accessorise, the Tweegy evolves and will evolve with your needs! **Tweegy, make it easy!**

TWEEGY
TRANSFER
CHAIR

ERGONOMICS

- No more need to handle accessories **directly integrated in the chair**
- No need to lean down any more thanks to **well placed action zones**
- **Well-made back and seat tilt for optimal patient comfort**
- Vertical handles to suit **all morphologies**
- Centre of gravity towards rear for **better handling**
- Accommodates up to **200 kg**

ECONOMY

- **Stackable saving up to 48% more space**
- **Versatile product thanks to a wide range of accessories** that you can add now or later
- Developed in **collaboration with a team of designers** for a timeless appearance
- **Solid and durable materials**
- Document holder included

SAFETY

- **Simple and quick identification by service** (by colour or lettering)
- **Intuitive braking system**
- **Perfect hygiene** thanks to flat or tubular surfaces without any possible dust retention
- **Retractable footrests and armrests** for easy access and exit
- **Easy access and exit from the chair**
